No one.

THE FOLLOWING IS A COMMUNIQUE FROM THE NOPFP. PLEASE FEEL FREE TO "RETWEET" OR WHATEVER THE FUCK AS LONG AS YOU KEEP IT TOTALLY VERBATIM!! THANKS

On Friday, September 25, the ATMs and doors of three banks in New Orleans' French Quarter were sealed shut by the New Orleans Political Fashion Police. Fuck banks. So ugly. These actions were in solidarity with the occupiers at UC Santa Cruz and our comrades in Pittsburgh. We also did this for New Orleans, in the initial phase of our project to expel capital from our beautiful home.

This ain't no fall trend. Increasingly, righteously bad behavior becomes a part of our everyday routine. Thinking, talking, making - these things are insufficient in a society that co-opts any and everything except that which attacks directly. There is no reason to be scared. You, too, can fight.

Dressed to kill,

The New Orleans Political Fashion Police
Lauren found her dream laptop. Find the PC that's right for you.
